You can earn CEUs at most meetings/symposia/workshops (can be approved by the Business Office, please send or fax a copy of the program) applicable to the Animal Science Professional. Each member is advised to keep copies of programs and registration receipts to verify program content and participation if called on to do so by the Examining Board or the ARPAS Governing Council. Additional copies of this form can be found on the website: [www.arpas.org](http://www.arpas.org).

One contact hour of meeting attendance/participation equals one CEU.  
*Sixteen (16) CEUs are required each year.*

Complete and return the form with your renewal notice if your CEU Status Report shows that additional CEUs are needed.
